INTERIOR ADVANTAGES

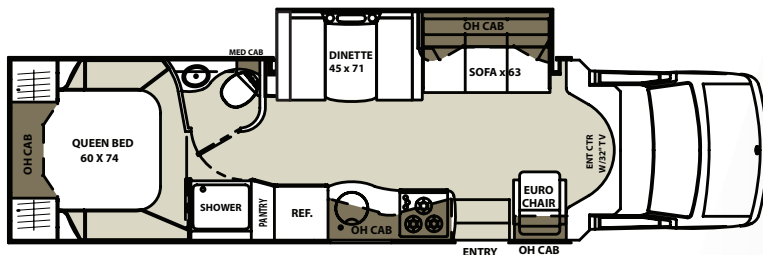

The 301 SS (shown with BLACK & TAN décor and CRÈME BRULEE exterior paint)

- 1 Designer carefree flooring** Easy to care for with non-skid, non-stick surface and no cold cracking.
- 2 Upgraded leather appointed furniture** Live in the lap-of-luxury and enjoy the feel and look of the upgraded furniture.
- 3 Large panoramic windows** See more of the great outdoors and pull the shades down for privacy when you need it.
- 4 Solid surface countertops and dinette** Lightweight and durable eliminating self-edging or T-molding that comes apart over time.
- 5 Hardwood cabinet doors** Made with mortise and tenon joints and screwed cabinet frame construction. It's beautiful and durable with plenty of space and strength for canned goods. No staples to pull apart.
- 6 "Dream" dinette mechanism** Easily convert your dinette into a comfortable sleeping area by simply pushing the dinette table straight down.
- 7 Large sink** Attractive and durable with plenty of room for larger pots and pans. The high rise faucet lets you get cookware cleaned up in a snap.
- 8 Skylight** The skylight has a pleated shade that lets you control the amount of light that's coming in.
- 9 Soft touch ceiling** Allows for more sound resistance inside the unit along with more efficient upgraded lighting.
- 10 Sealed burner range top with a convection microwave** to enhance your cooking needs.

The **Concord Class C** provides a luxurious and convenient solution to both traveling and RVing. This smart travel-minded Class C is equipped and built with an attitude of providing the "best" in form, fit and function. Outside the Concord boasts curved sidewalls with sleek stylish front and rear fiberglass caps that give the Coachmen Concord a distinctive high-end look and an aerodynamic,

CONCORD

EXTERIOR ADVANTAGES

2" Hi-gloss Sidewalls

Laminated with smooth hi-gloss fiberglass, bonded to Azdel with 1.5" aluminum framing, and high density insulation for maximum efficiency. Very durable, easy to clean & maintain.

LED Lights
Clearance, marker and tail lights

"Even Cool" Air Conditioning System

Radius corner "Amoco" insulated roof ducting for maximum cooling efficiency.

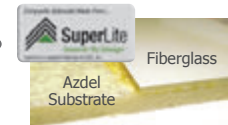

Outside Shower w/ Black Tank Rinse (located off door side)

Easy clean up at the waste tank termination. It also enables you to clean dirty camping equipment outside.

Molded Fiberglass Front and Rear Caps

Stylish and aero-dynamic. The one-piece molded fiberglass cap adds a sleek automotive touch.

Azdel "Super-Lite" Sidewall Building Material

The "no wood" alternative to laminated sidewalls. Azdel is lightweight, durable and moisture proof. The "Next Generation" in RV's.

(shown with Crème Brûlée full body paint option).

Roto-cast Storage Compartment

Made of an anti-corrosive polymer plastic, the seamless and durable exterior storage compartments are built to last.

Outside Entertainment

Enjoy music at your campsite while you hangout under the full length awning. Equipped with marine grade speaker, 110 volt outlet and TV hook-up. Available with optional outside TV as shown.

Strong Fiberglass Running Boards w/ Front Fender Flare

Generator as Standard Equipment

"Full power" while traveling, tailgating or dry camping. Onan generator option available.

Stainless Steel Wheel Liner

80" Entrance Door w/ Optional Automated Step

Add a step with the flip of a switch for easier and safer entry and exit.

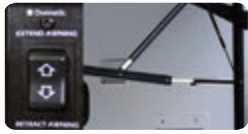

Firestone "Ride-Rite" Air Assist Rear Suspension

Adjustable for ride preference and towing while easing the strain on the rear leaf springs for a longer life.

easy-to-drive profile. Inside there is emphasis on clean lines, luxurious appointments and comfort. Driving a Concord says you want the Best in Class C styling, amenity and handling. **The Concord promises a simple, convenient and easy solution to traveling and RVing!**

CONCORD LE

EXTERIOR ADVANTAGES

One Touch Power Awning

Easy to open and easy to close, the power awning comes complete with adjustable arms.

"Even Cool" Air Conditioning System

Radius corner "Amoco" insulated roof ducting for maximum cooling efficiency.

Sleek Body Design w/ Small Cab-over

Thinner, shorter with less overhang at the cab-over. Less wind resistance, better fuel economy and easier to handle.

Molded Fiberglass Front Cap

Stylish and aerodynamic. The one-piece molded fiberglass cap adds a stylish automotive touch.

Backup Camera

Makes backing up to your campsite a breeze and also allows you to keep an eye on what you're towing.

Exterior Warehouse Storage Compartment

Provides you with plenty of room to take along larger items.

Outside Entertainment

Enjoy music at your campsite while you hangout under the full length awning. Equipped with marine grade speaker, 110 volt outlet and TV hook-up. Available with optional outside TV as shown.

Generator as Standard Equipment

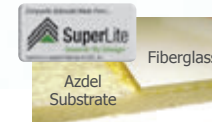

"Full power" while traveling, tailgating or dry camping. Onan generator option available.

Integrated Entry Step

Eliminates step failures.

2" Hi-gloss Sidewalls

Laminated with smooth hi-gloss fiberglass, bonded to Azdel with 1.5" aluminum framing, and high density insulation for maximum efficiency. Very durable, easy to clean & maintain.

Azdel "Super-Lite" Sidewall Building Material

The "no wood" alternative to laminated sidewalls. Azdel is lightweight, durable and moisture proof. The "Next Generation" in RV's.

GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR. CW (Curb Weight): The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment, and accessories can be determined by subtracting the CW from the GVWR. GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories. Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans. In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicle with a maximum 96-inch width, although special road usage permits may be available. Vehicles up to 102-inches in some width are permitted in the vast majority of states. You should confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offers in the standard 96-inches width. Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds. Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors. All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

Free One Year Membership – Coachmen Owners' Association

Coachmen is proud to sponsor the largest manufacturer sponsored camping club in North America ... Coachmen Owners' Association (COA). COA provides you a world of ways to enjoy your RV. Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
