### ТНЕ **COACHMEN ADVANTAGE**

What is the Coachmen advantage? It's the collection of unique features offered in a Coachmen motorhome to ensure a smoother ride, a better camping experience, and a motorhome that will last for years.

#### **1. NOBLE SELECT**<sup>™</sup>

Protected by a three-year warranty, these sidewalls have a high-gloss gelcoat finish to prevent fading. They are also 20% lighter than wood substrate sidewalls, provide more occupar cargo carrying capacity, and offer three times the insulation against extreme climates

#### 2. AZDEL<sup>™</sup> COMPOSITE

Most manufacturers use wood sidewalls that can expand, swell, and eventually mold. We use Azde It's impervious to water, won't rot or mold, and, with less than a 1% chance of delaminating, it ensures the long-term integrity of the sidewalls

#### **3. REINFORCED LAMINATION**

We vacuum bond and pinch roll every sidewall and floor, then perform a pull adhesion test. Mos manufacturers just do one process or the other but by doing both we improve the strength and longevity of the sidewalls.

#### 4. ELONGATED WHEELBASE

We offer longer wheelbases than other motorhome manufacturers because that means superior weight distribution. The result? Better handling and a smoother ride that results in less driver fatigue.

#### 5. SITE RITE DASH<sup>™</sup>

Our dashes are angled 20 degrees forward. This increases the line of sight for the driver, and offers the best road visibility on the market.

#### 6. EVEN COOL DUCT<sup>™</sup>

Our patented duct system evenly disperses air through the whole coach. And we use Amaco ducting instead of Styrofoam because it's antimicrobial, preventing the growth of bacteria and ensuring a cool, clean coach in even scorching heat.

#### 7. DIGITAL OWNER'S MANUAL

Our owner's manuals are easy to access through the Coachmen website or our free app. Supplemented with videos, Power Points, and more, it's got all you need to know about your coach
