PRODUCT UPDATES

Berkshire Motorhomes

At Berkshire we know your standards are high, and we strive not to only meet, but to exceed these expectations. From the ground up, the Berkshire Series is designed with well, thought out features and engineered for precision performance.

For 2022, we upgraded our standard features along with Freightliner Custom Chassis added enhancements, the Berkshire Motorhome redefines travel, elevating your experience to new adventures.

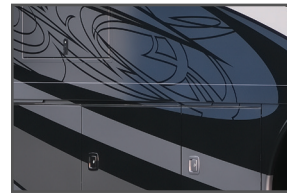

NEW FOR 2022 EVERY BERKSHIRE SERIES - BERKSHIRE, XL, AND XLT

IMPROVED COMFORT
The steering column was adjusted 7 degrees down, towards the driver, for improved drive comfort & seating position.

STALK GRAPHICS
Stalk Graphics have been enhanced providing better clarity for operation functions.

NOBLE SELECT
Composite, high gloss, exterior sidewall replaces luan for increased resistance to moisture.

BACKUP CAMERA
An enhanced rear back-up camera for improved visual clarity & added safety.

MODERN GRAPHICS
Precision Circuits Multiplex Touch Screen has been updated with new, modern graphics to easily manage your coach functions.

MORE LIGHTS
Improved lighting in the baggage compartments making it easier to see what you need.

WASHER | DRYER
The Splendide Washer and Dryer Stackable Combo replaces the Whirlpool brand.
